Bow, WA 98232

Mr. Kidwell-Ross:

The North American Power Sweeping Association has received your request for minutes from the NAPSA Board of Directors meetings and additional material. Your request was presented to the Executive Committee. While the customary practice would be to release minutes to dues paying members only, it was agreed that you could easily arrange for a member to make this request. NAPSA practice allows the release of the requested information to the membership. Without establishing a precedent, I was asked to forward a copy of the November Board of Directors minutes as a courtesy.

Regarding any letters of resignation, consensus is that these were addressed to the Board and any permission for their release resides with the authors. One leader resigned due to career changes and the other for personal reasons but in both cases the Board was sorry to see them go.

Although Kevin Kroeger did not consult with any of the Board members prior to resigning his position, he did ask the Board to respect his decision. He remains a NAPSA member and his friendships with the Board members and staff, remain intact.

While your request has only been circulated among the executive leadership, they are confident that the full Board would agree that "respecting" Mr. Kroeger's decision would include providing him his privacy.

Attached you will find the November 2011 minutes in a draft format. The approval of these minutes will occur in December but the minutes have been distributed to the Board of Directors as you see them. I have also included a listing of the current Board of Directors.

Thank you.

A handwritten signature in black ink that reads "Kimberly A. Fantaci". The signature is written in a cursive, flowing style.

Kimberly Fantaci  
Executive Director
